## Psych Department Offers Programs

According to the office of Dr. James McClintock, several programs have been planned for students interested in psychology or sociology during reading week.

On Sunday, March 10, Dr. Peter Berger, of the Hartford Seminary Foundation, and author of "The Noise of Solemn Assemblies" and "A Sociologist's View of the Precarious Vision", spoke to students in the multipurpose room on "The Contemporary American Ecumenical Movement". A coffee hour and discussion with Dr. Berger was held Monday from 10-11:30.

Tuesday, March 12, from 10-12 noon has been scheduled Symposium: Psychology's Role in Contemporary Life.

Participating will be four distinguished Drew alumni: Dr. Natalie Brown, '49, psychologist at the New York City Metropolitan Hospital; Professor Richard Runyan, '50, Chairman of the Department of Psychology of C. W. Post College, Long Island University; and Dr. Robert E. Smith, '49, Program Director, College Scholarship Service, Educational Testing Service; Dr. Alan Dobrow, 1950, private psychiatrist.

The topics to be considered include training requirements for and the nature of work in clinical and experimental psychology, counseling, and the psychoanalytic orientation; psychological research teaching; teaching psychology; and joint contributions of psychology and sociology in the study of personality.

Individual conferences the same day with the guests may be arranged through Jim Mills, Hoyt-Bowen 222, Extension 248. Conferences will be scheduled from 1:30-2:30 P. M. in Mead Hall 206.

A reception for Drs. Brown, Runyan, and Smith will be held Tuesday afternoon from 2:30-3:30 in the Wendel Room of Mead Hall.

On Friday, March 15, from 10-12 noon in the multipurpose room, Dr. Alan Dobrow, private psychiatrist and former psychiatric resident of the Menninger School of Psychiatry, Topeka, Kansas, will lecture on the "Contribution of Freudian Theory and Therapy to Psychiatric Practice." This lecture will conclude the special reading week series planned by the psychology department.

## Symphony Sell Student Ticket

Student tickets for a concert of the Colonial Little Symphony Orchestra Wednesday, March 20, at 8:30 P. M. in the Madison Junior High School will be available at the University Center desk beginning Tuesday, March 12. Subsidized by the University to provide a cultural opportunity for the student body, the tickets are specially priced at \$1 each. Student wives are eligible under this special rate. An allotment of 100 for this concert will be offered on a first-come, first-served basis.

The Westminster Choir will appear with the Colonial Little Symphony at this concert. The major offering by the two groups will be a Haydn mass.

## Dr. Warren Eason, Economist To Speak On Soviet Economy

Professor Warren W. Eason of Princeton University, a specialist in Soviet economics, will speak Monday, March 18, at 8 P. M. in the Drew University Center. His illustrated lecture "The Soviet Economy: A First-Hand Report" will be the third in a series, "Five Views of Soviet Russia", sponsored by the Center's student-faculty board.

Dr. Eason, an assistant professor of economics and a research associate in Princeton's Industrial Relations Section, spent the academic year 1961-1962 in the Soviet Union under an exchange arrangement between the Academy of Sciences in the U. S. S. R. and the American Council of Teamed Societies for research in the social sciences. He was associated with the Institute of Economics in Moscow and was accompanied on the trip by his wife and two daughters. They were the first American family to live in a Soviet furnished apartment in one of the newer apartment districts on the outskirts of the Russian capital.

Professor Eason had visited Russia on two previous occasions, first in the summer of 1956 and again in the winter of 1958. The latter trip was made in connection with a study of Soviet labor problems. In the course of the two trips, he visited ten Soviet cities, travelling alone and having command of the Russian language, he interviewed professional colleagues in Soviet universities and various branches of the Academy of Sciences. He also had an opportunity to interview the managements of a number of Soviet factories.

His focus on Soviet economics has been particularly concerned with manpower problems and with labor and management policy. He is presently revising a volume **Soviet Manpower** and is engaged in a study for the Industrial Relations Section on labor and industrialization in the U. S. S. R. He has written a number of papers and articles in his field of specialization and has contributed chapters to several books. He has been a consultant

DR. WARREN EASON

of the Rand Corporation since 1951 and his basic study of Soviet manpower was carried out with their support.

Dr. Eason was graduated from Columbia University in 1947, later received his M. A. and Ph. D. degrees there and also a certificate from Columbia's Russian Institute. He was a research associate and lecturer in the Department of Political Economy at Johns Hopkins University for six years before joining the Princeton faculty in 1955 as a lecturer in economics. The following year he became assistant professor and research associate in the Industrial Relations Section. He was appointed a bicentennial preceptor for the three-year period 1956-59 which at the assistant professor level is equivalent of an endowed chair at the level of professor. The preceptorships are awarded to promising younger members of the faculty to encourage the development of teaching capacity and scholarship.

Dr. Eason's personal interests are in the field of music. He previously played the French Horn with the Princeton Symphony Orchestra.

## Choir Performs At College Concert

By DEAN FLORENCE MORRIS

On February 20, the Drew University College Choir, under the scholarly direction of Lester W. Berenbroick, professor of music, gave a concert program of sacred and secular music, acappella, which in my opinion ranked high in choral musicianship. The well trained choir produced excellent tonal quality, meticulous phrasing, nice blending and balance of parts, and punctilious attacks and releases.

Another affirmative aspect of the concert was the skilled "make up" of a quality program, great musical compositions, which not only provided an excellent vehicle for the choir's versatility, but afforded dynamic color and contrast in moods. Outstanding in evinced musicianship was the competent singing of Graun's highly chromatic setting of "Surely He Hath Borne Our Griefs", the antiphonal singing of Peter Tschaikowsky's "Oh, Blest Are They", the sustained contemplative modern number of Benjamin Britten, composed when he was eighteen, "A Boy Was Born"; this work based on a four note motif had a unique soprano melisma on one pitch sung over the sustained chanting of the Prayer, "Save Us All by Thy Virtue", a singularly dramatic effect.

The second half of the concert program, composed of folk songs and spirituals, had appeal, both rhythmically and melodically. Deserving of particular plaudits are Nancy Howe, soprano; Diane Mabb, contralto; and Robert Terhune, tenor.

## Publications Board Approves Sam Kot

Shirley Kot was approved as editor of the **Acorn** at a Publications Board Meeting on Thursday, March 7, effective March 18. Her new editorial board is as follows: News Editor — George Eckstein (continues in this position); Assistant News Editors — Stephanie Flanigan (continues) and Peggy Kunzle; Secretary — Judy Morgan; Copy Editors — Shirley Brunelle and Ralph Porzio; Sports Editor — John Allen; Advertising — Kathy Dixon (continues); Typing Editor — Donna Nelson; Art Editor — Bob Benner; Photography Editor — Bob deVeer; Circulation — Carren Orsini (continues); Exchange — Isabelle Kanz (continues). The positions of advisor and Business Manager will be filled in the near future.

### Experience on Acorn

"Sam" was a staff writer for the **Acorn** during her Freshman year and part of her Sophomore year. She was then appointed Sports Editor, a position which she held until second semester of this year. Since then she served as Associate Editor.

### Increase Student Participation

At a recent interview, "Sam" was asked her plans for the **Acorn**. She answered by saying, "In the past a very few students have been forced to carry out the almost overwhelming burden of putting out the **Acorn** with very little help. I feel that this is unnecessary and one of my prime objectives is to increase student participation and responsibility so that a few people are not overburdened. If the students want a newspaper, more of them will have to share in the work and responsibility. I feel that I have an excellent editorial board and staff and I am very optimistic about our future."

## Reading Week Begins Today

Reading Week officially begins today, Monday, March 11. This is the second year this program has been in effect. Since it is still experimental in nature, whether or not it will be continued in the future depends upon its success or failure this year. Everyone is encouraged to engage in independent reading and to participate in the events sponsored by the field-trip committee planned for this week. Students are expected to remain on campus. Dormitory regulations relating to regular study periods will be maintained.

## United Nations Model Assembly Elects Pita Ala'ilima Vice-Pres.

Four members of the International Relations Club recently represented Drew at the 36th Mid-Atlantic United Nations Model Assembly held February 21-24, at the Mayflower Hotel, Washington, D. C. Georgetown University was the host in cooperation with George Washington and Howard Universities.

**400 Participate**  
Pita Ali iLima, George Burrill,

Diane Purdy and Isabelle Smith were among the 400 participants from approximately ninety colleges and universities. Each co-operating school represented a United Nations member and Drew was the spokesman for Rumania along with Harvard representing the U. S. S. R., Yale representing the United States and West Point representing Great Britain.

### Assembly Elects Officers

Officers for the next model assembly were chosen and Yale, Drew, and Colgate walked off with top honors. Pita Ali iLima captured the important post of Vice President while the Yale

delegate will serve as President and the Colgate delegation will act as a constitution committee.

Along with this election of officers, the assembly gave awards for the best delegate and delegation, the former going to M.I.T. and the latter to West Point.

### Purpose Told

The purpose of the Model Assembly is to acquaint college and university students with the problems and procedures of the United Nations. The officers are responsible for planning the assembly and on March 30th about twenty Yale and Colgate people will visit Drew to begin these preparations.

Students planning to apply for Medical School in the Fall of 1964 should make arrangements to take the Medical College Admission Test on May 4, 1963. Applications may be obtained from the Counseling Center in Mead Hall at once.

The Wasps

## Women's Sports

### Basketball Team Downs Upsala

The girls' varsity basketball team chalked up its fifth victory against one loss by edging Upsala 38-37. Though the team got off to a quick lead, the aggressive Upsala team managed to tie the score up at the half, 28 all.

The second half remained very close throughout with Upsala capitalizing on Drew's sloppy play. Upsala tied up the score and moved into a small lead near the end of the game, but the Drew girls pulled the game out at the last minute on Gail Clayton's free throws. Sue Morrison and Gail led the team in scoring with 16 and 15 points respectively.

| PLAYER      | fg | ft | t  |
|-------------|----|----|----|
| Clayton f   | 5  | 5  | 15 |
| McCombs f   | 2  | 0  | 4  |
| Morrison f  | 6  | 4  | 16 |
| Bratsenis g | 0  | 2  | 2  |
| Snell g     | 0  | 1  | 1  |

The team met Saint Elizabeths today at 5:00 in Baldwin gym for their last game of the season.

### Girls Win Volleyball Tourney

Last Wednesday the girls' volleyball team participated in a tournament with Saint Elizabeths, Centenary and Fairleigh Dickinson and walked away with top honors. Playing in a round-robin, each school played the other three for the best two out of three games.

The team met Saint E's first and easily defeated them in the first game but lost the second. The team recovered and went on to win the third. The Fairleigh Dickinson team went down in just two games with little trouble. Drew then met the undefeated Centenary girls and defeated them in two of three games to remain undefeated champions of the tournament.

The team members who participated were Sandi Bergold, Genevieve Brown, captain, Sue Butler, Peggy Eller, Stephanie Flanagan, Sam Kot, Sue Morrison and Margo Young.

### Swimmers Soak F.D.U.

Saturday the girls' swimming team won their first meet of the season by downing Fairleigh Dickinson 42 to 15.

Getting off to a quick start the Drew girls won both the medley and freestyle relays. Swimming in the medley were Elsie Spinner, Jackie Jones, Ginny Villamil and Karen Healing. Judy Tomshaw, Johanna Anderson, Ann Long and Barbara Stocker easily won the freestyle relay.

Ginny Villamil took first place honors in the butterfly with Fairleigh coming in second and Johanna Anderson for Drew third. Barbara Stocker and Jackie Jones then took first and second places in the breaststroke event. Making the score 34 to 14, Ann Long won first place in the freestyle and Karen Healing third place. Barbara Stocker completed the string of first places by capturing top honors in the backstroke with Ann Schilling finishing a close second.

# Rangers Wrap Up Season Beat Utica, Poly; Bow To Harpur

### Down Utica

The basketball season ended on a happy note Saturday night as the Rangers defeated Utica 78-74. The victory was the second game of a week-end swing through New York State.

Trailing at half-time 37-25, Coach John Williams' squad staged a tremendous second half rally of 53 points to gain its fifth win of the season. Doug Wicoff, Gary DeAngelis, and Jon Schwiager teamed up to score 49 of the 53.

After fighting an up-hill battle through most of the second half, Drew finally tied the score at 52-52 on a Wicoff tap with 10 minutes left. A steal by DeAngelis then put the Rangers in the lead for the first time. However, Utica regained the lead and it was again up to Wicoff to put the Rangers on top. With 3:30 left in the game, the Rangers led 67-66. Doug then hit eight free throws in a row to give Drew a 74-67 advantage. DeAngelis scored the last four points to put the game on ice for the Rangers.

Drew won the game from the free throw line since both teams netted an equal number of field goals (30). The Rangers hit 18 of 32 fouls, while Utica had only 14 for 21.

### DREW - UTICA

Half Score: Utica 37, Drew 25

### Lose to Harpur

On Friday night the Rangers dropped a 76-63 decision to a tough Harpur squad at Binghamton, N. Y. Doug Wicoff scored 23 points to lead the scoring for Drew. Jon Schwiager was the only other Ranger to hit double figures with 14 points.

Harpur's backcourt ace Mickey Greenberg led the Colonials with 27 points. Although Gary DeAngelis did a fine defensive job on him, Greenberg was able to score most of his points by breaking through on layups under the boards.

The Rangers led for the last time by a 27-26 score with 30 seconds left in the first half. Harpur came back to sink a field goal and left the court leading 28-27 at the half. Drew kept the score close during the first ten minutes of the second half, but the Colonials pulled away steadily in the latter part of the game.

Harpur scored well from the foul line, hitting 20 of 27, but Drew could only manage 13 for 26. Doug Wicoff led the squad in rebounds against Harpur with 13, he also pulled down 15 in the Utica contest.

### DREW - HARPUR

| Totals    | 25 | 13 | 63 |

Half Score: Harpur 28, Drew 27

The Drew Rangers won their fourth game of the season by defeating the Blue-Jays from Brooklyn Poly 69-61. Though the

Rangers were favored in the game the well balanced scoring of Brooklyn Poly put them into an 18-8 lead halfway through the first half.

Porter and Wicoff then made good on shots and Dick Stafford, playing his last game in Baldwin Gym as a Ranger, got hot and hit for seven points to put the Rangers ahead for the first time in the game by a score of 19-18.

Drew gradually increased their lead as Bill Bonnell's two foul shots gave them a 38-32 half time lead. At the half, Dick had 13 points and Gary DeAngelis 10 more to pace the Rangers who did not have any personal fouls called against them in the first half. Brooklyn Poly was not able to take the lead away from the Rangers in the second half. Though Augie Shilling hit a jump shot to tie the score at 43 all with 14:25 to play, the Rangers quickly built the lead up to 51-43.

Dick Stafford then ran into trouble and was forced to leave the game on personal fouls with three minutes to go. He received a standing ovation as he left the floor with 19 points and 14 rebounds. He was followed in scoring by Gary DeAngelis' 16 points and topped only by Bonnell in rebounds. Bill had 18. Unlike past games, the Rangers dominated the backboard and grabbed a total of 59 rebounds.

# FENCERS WIN THREE FINISH WITH 9 AND 1 RECORD

by Bruce Anderson

### DEFEAT NCE

The Ranger swordsmen completed their season with a string of seven straight wins by defeating Brooklyn Poly 16-11, Stevens 16-11, and NCE 14-13. This brings the overall team record for the '63 campaign to nine wins and one loss. Drew's victory over NCE, the first in years, added the final win to one of the most successful fencing seasons recorded by the team.

Saturday, Drew traveled to NCE to engage the Newark men in the traditional last match of the season. This year everything seemed to defeat the Engineers from their own equipment to the Ranger's fencing.

After supplying the needed equipment, Drew handed them three defeats in foil by large point margins. The foil squad posted Drew's best record by winning 6 and losing only 3. The sabre squad then took two out of three and the epee men made the score 7-2 with two victories.

Starting under the growing optimism of the Drew team the

NCE swordsmen suffered two more defeats and then, after taking one victory in foil, swept through sabre and epee to tie the score at 9-9 with 9 bouts to be played.

Fighting back, Dick Lyons took one match in foil, but two straight foil defeats took that lead away from the Rangers. First sabreman Storm Rode tied the score again, and when sabre was finished for the day the score stood at 12-12.

In the last three bouts, the first was won by Al Bugaeff to give Drew the lead. Bob Boileau then lost to NCE's number one epee man, and the score stood at 13-13. In the final bout, with tension mounting, Bill Owen used quickness and accuracy to win the deciding victory of the day by a two point margin.

The Rangers now have a 9-1 record and an eye on the trophy of the North Atlantic Tournament which is coming up on March 16 at Rochester, N.Y.

### BEAT STEVENS TECH

On the following Wednesday, March 6, Drew hosted a determined Stevens team and scored a 16-11 victory Epee led the way against Stevens with a 7-2 slate, while foil had a 6-3 record. The sabre squad won only 3 and lost 6.

The two top men on the foil squad, Dick Lyons and Bruce Littman, contributed 3-0 and 2-1 scores to the total. Epee, however, dominated the field as Bill Owen and Bob Benner defeated two opponents apiece and Al Bugaeff one. Towards the end of

the three substitutes fenced for Drew and won two of three bouts in epee.

The sabre squad did not fare as well, although confining their opponents to close victories. Storm Rode, as at Brooklyn, registered the winning victory to avenge his single defeat of the day and post a 2-1 record.

### INDIVIDUAL SCORES AGAINST NCE

#### FOIL

|         |     |
|---------|-----|
| Lyons   | 3-0 |
| Littman | 2-1 |
| Holden  | 1-2 |

#### SABRE

|        |     |
|--------|-----|
| Rode   | 2-1 |
| Menkin | 0-3 |
| Schatz | 2-1 |

#### EPEE

|         |     |
|---------|-----|
| Owen    | 2-1 |
| Benner  | 1-1 |
| Bugaeff | 1-1 |
| Boileau | 0-1 |

### TROUNCE BROOKLYN POLY

The Drew fencers outfought the Brooklyn men on their own mats at Brooklyn on March 2. The epee squad posted a good 6-3 record, while foil and sabre both won 5 of 9 bouts.

First sabre-man and team Captain, Storm Rode, took the winning bout and also posted a 2-1 score for the day. Sandy Schatz, also in sabre, duplicated that score by defeating two of his three opponents.

Before sabre took the field, foil had already demonstrated a successful pattern as Dick Lyons and Bruce Littman each won two out of three. In epee 2-0, 2-1, and 1-0 records were posted by Bill Owen, Bob Benner, and Bob Boileau respectively.

## Men's Intramurals

The regular season has closed in Intramural Basketball. The only thing that remains is the play-off game between the first half winner and the second half winner in each 1 league.

### FINAL STANDINGS

#### NATIONAL LEAGUE

|           |       |
|-----------|-------|
| Earp-Fog  | 5 - 1 |
| Baldwin 3 | 4 - 2 |
| Baldwin 2 | 2 - 4 |
| Baldwin 1 | 1 - 3 |

#### AMERICAN LEAGUE

|            |       |
|------------|-------|
| Haselton 2 | 5 - 1 |
| Haselton 1 | 4 - 2 |
| Hoyt-Bowne | 3 - 3 |
| Commuters  | 0 - 6 |

### NATIONAL LEAGUE

Earp-Fog is the team that deserves the newsprint this week. Their last two games were beautiful offensive exhibitions. Led by Bill Flood (33) and Harry Brand (21), Earp-Fog downed Baldwin 2 by a score of 76-36. The first quarter was fairly close with Earp-Fog leading 14-8 at the end of the first eight minutes. They increased the lead to 34-16 at the half and 48-21 at the start of the fourth quarter. Toby Klinetob led the scoring for Baldwin 2 with 12 points followed by Macy's 11 and Iglar's 10.

The following week Earp-Fog refused to let up as they trounced Baldwin, 71-31. Bill Flood once again led the attack with 29 points. Tom Garver led Baldwin 1 with 14 points. A 12-4 first quarter lead held by Earp-Fog was increased to 37-9 at the half, and 51-21 by the end of the third quarter. Brand had 15 to back Flood's machine-like production.

In other National League action, Baldwin 3 also won its alst two games defeating Baldwin 1, 53-36 behind Bob Hirschman's 26 points, 16 in the second half. Baldwin 3 held a slight 10-8 lead at the end of the first quarter and 19-13 at half time. Then Hirschman and Phil Hubbard teamed up to increase the lead to 38-27 at the end of the third quarter.

Baldwin 3 then won by forfeit as Baldwin 2 could not field a team.

### AMERICAN LEAGUE

Haselton 2 won its fourth straight to finish at the top of the league, with a 5-1 record, by beating a tough Hoyt-Bowne.

They made it into first place by defeating Haselton 1, 56-45, thus breaking a first place tie between the two teams. Pete Petty continued to lead the team in scoring by netting 25. He was backed by Rodney Grunes' 16. Marvin Rice led the losers with 18.

Hoyt-Bowne then trounced the winless Commuters 63-44 as Neil Kaplan hit for 22 points on 11 for 19 from the floor. Bill Long was high for the Commuters with 16 points.

Going into the final games Haselton 2 held a one game lead over Haselton 1 and Hoyt-Bowne, and it was very possible for the league to end up in a three-way tie.

However, Pete Petty once again did a fine job and the second floor cagers defeated the Bowners 52-49. The 6'5" Petty had 24 points and Rod Grunes 12 for the winners.

Haselton 2 jumped right off to a 12-4 first quarter lead and held on to lead 28-22 at half time. Joe Clayton (20) and Neil Kaplan (15) caught Fire in the second half and cut the lead to 38-35 at the end of the third quarter.
