Four Sophomores Receive National Methodist Grants

Ruth Bennet, Patricia Farmer, Robert Wooley and Arthur Valenzuela have been awarded National Methodist Scholarships for the 1963-1964 scholastic year. The four sophomores were selected on the basis of superior scholarship, leadership and Christian character. The scholarships, given to four Drew students annually, are made by the National Scholarship Committee upon the recommendation of the Drew Scholarship Committee to the Board of Education of the Methodist Church.

Academically the student must have been in the top 15 percent of his high school graduating class and must have an average higher than a B-, and if the applicant is an upperclassman he must write a 100-word statement on the subject, "Contributions I Have Made to the Religious Life of My Community."

Three of the scholarship recipients, Pat Farmer, Bob Wooley and Art Valenzuela, are Political Science Majors. Miss Bennet is a Latin major. Next year Bob will be participating in both the London and Washington semesters.

Editorials

TO THE CLASS OF '63

The end of another Spring Week-End brings to mind the close of four years at Drew for the Class of '63. The Drew you found as Freshman was quite different from the one you are leaving as Seniors. Many changes have occurred over this period of time — a new President has been inaugurated; new dorms have been built; the size of the student body has increased; and new study programs have been instituted. You are a part of these changes and they are a part of you.

As you glance back over the years, several familiar scenes may pass through your mind — the endless last minute cramming; typing all night to get that term paper in by 4:00 the next day; frantic dance preparations and wondering if the dining hall can really undergo a transformation; evenings in the Library; and those many coffee shoppe dates. With mixed emotions, it is time for you to leave Drew, but its memories will be with you forever.

Throughout the past four years, you have been active both academically and socially. In both these activities, you have left a strong imprint never to be forgotten. The world is now ready to welcome you — grad school, jobs, marriage. The future is exciting — it is unknown. You are prepared to go ahead and leave another imprint elsewhere.

The Acorn wishes you the best of luck and much success in whatever you do. We hope the future fulfills your many dreams, hopes and ambitions. There's no doubt about it — we'll miss you!

1962-1963, A MEMORABLE YEAR

It has been quite a year here at Drew! It's been the kind of year that has left us with many happy and profitable memories.

This year four new semesters were inaugurated with tremendous success; the London Semester, the United Nations Semester, the Washington Semester and the Miami Semester. All are invaluable opportunities to the Drew student.

One remembers a tremendous series of convocation programs presented by the University. One recalls vividly the electrifying Clara Ward Singers, the concert by folk singer Pete Seeger, and the always superb performances by the Cleveland Players. The opportunity to such internationally renowned figures as Muhammad Zafrulla Khan, President of the General Assembly of the U.N.; Dr. Martin Niemöller, President of The World Council of Churches; and soon the opportunity to hear James Haggerty, former press secretary to President Eisenhower and current vice-president of ABC is indeed appreciated.

We remember the Brothers Four Concert — Drew students became excited about something and proved that such concerts could be successful and profitable.

We remember the fine fencing team that won first place in both the North Atlantic and the N.C.E. tournaments.

We recall the excellent series of lectures sponsored by the University Center Board, "5 Views of Soviet Russia".

There was also the Foresters' tremendous production of "Gypsy", a triumph that will not be forgotten for many years.

We remember a successful Fall Week-End, "Among My Souvenirs" and an exceptionally fine Spring Week-End, "Plaisir d'Amour". In the midst of it all was the near-spectacular emergence of Winter Week-End.

Yes, 1962-1963 was quite a year!

Council Investigates and
Recommends Saga Catering

The following is a summary of the recent investigation by the Student Council of the Saga Food Catering Service as a possible alternate to the Graulich Catering Service now employed by the University.

The following recommendations suggested by the committee, chaired by Wayne Connor, were approved by the Council:

1. Saga Food Caterers should replace Graulich Food Caterers at Drew University for the year 1963-1964. The contract would be for one year.

2. Certain top personnel who are liked by the students should be retained.

3. A non-compulsory cafeteria system should be instituted as an alternate to a compulsory sit-down system.

The reasons for these recommendations are, as stated in the report:

a. Better food, including much variety, quantity and quality will be available for the same cost which now exists at Drew.

b. Faster and friendlier service will exist.

c. Better meal hours will be offered, such as having breakfast extend to 8:30.

2. A non-compulsory cafeteria system would be best because:

a. The psychological effect of this would promote feelings of good will and a receptive attitude towards the service.

b. The cafeteria system is cheaper to operate.

c. Faster service will be effected by the double line system.

The invitation to the Council inviting it to participate in the decision was issued by Mr. Clifford Smith, the assistant treasurer. The committee was composed of four students who visited Upsala College and Rider College where they tasted Saga food and interviewed many students and personnel.

The committee reported that the students were quite satisfied with their food service, and that the quality was good and variety excellent. They could not anticipate menus except on Saturday evenings when steak was served and on Sunday dinner. In most cases seconds, thirds and fourths were offered, and beverages were unlimited.

The committee reported that service was friendly and good rapport existed between the students and the service. The wait in line during the rush hour at lunch rarely exceeded ten minutes. At each school over 80 students were employed in the cafeteria.

At each school an excellent variety of condiments was offered without limit — salad dressings, pickles, celery, peanut butter, hot rolls, butter, etc. Several beverages were offered without limit — milk, coffee, tea, punch, lemonade, orange drink,

tomato juice, etc. There was a choice of 3 or 4 salads and desserts.

Breakfast was considered to be the best meal by the students interviewed. There were no powdered eggs. There was a variety of donuts, buns and sometimes pastries, and the toast was at least warm and at one school was hot.

The Council adopted the committee's report unanimously and President Bob Hinds was very confident that the administration had given the report favorable consideration, and that a change in the catering service will be made.

The administration's decision will be made by Monday, May 6th.

Drew" Activities

The annual "Day at Drew" held on April 27, was attended by 275 students and 345 parents and guests from the metropolitan area, Massachusetts, Rhode Island, Washington, D.C., and Maryland.

From here, the students went to special 25-minute classes held in B.C. by twenty members of the faculty and the parents went to a coffee hour in the Student Union. A few of these classes were: English, psychology, zoology, botany, and chemistry. After the coffee hour, the parents were given a tour of the campus by members of the Green Key.

Tennis Team Splits With Rutgers, Tech

BY HAL BARNEY

The Drew tennis team easily netted its seventh victory this season when it defeated Rutgers of South Jersey 7½ to 1½, but then received its fourth loss from Stevens, 7 to 2.

Rutgers, offered very little competition except at the number one spot where Steve Wohl-gemuth had to tangle with a one time ranked player in New Jersey scholastic play. Even so, Steve put on a tremendous show going down 12-10, 7-0, 0-6.

Meanwhile, Bill Benedict, Hal Barney, Dick Lyons, and Toby Kline-tob all took their matches handily while the number six singles was defaulted to Drew as only five men had come from Rutgers to play. Second doubles of Hal Barney and Toby Kline-tob won their match, third doubles was defaulted to Drew, and because of the late hour, first doubles agreed to split the remaining point.

Traveling to Stevens in Hoboken, N. J., the team played one of its finest matches this season despite the score. Playing in almost 90 degree heat, the team managed to take only first and second singles while losing the other four. Steve Wohl-gemuth (1) played a beautifully consistent match to defeat his man easily. Then with four matches already lost and the match perhaps being decided on his sets, Bill Benedict played a tremendous match against a hard serving, spirited opponent, but with an artful lob shot that rarely missed, and more consistent ground play, Bill Benedict was able to keep Drew's hopes alive, coming off the steaming courts with a three set victory, 6-3, 3-6, 6-2.

All three doubles matches looked as if they could have gone either way when Hal Barney twisted his ankle in a ditch at the end of the courts while chasing a lob and was forced to default second doubles to Stevens giving them the winning point.

Men's Softball

The intramural softball league started last week with each team playing one game. The freshmen clobbered the sophomores 20-4, while the juniors lost to the seniors 7-4.

Jeff Fogel pitched an impressive game for the frosh in their unmerciful beating of the sophs. The slaughter began in the first inning as the frosh pushed across 8 runs. Taking advantage of many miscues in the field, they added 12 more in the next 6 innings. Reid Fraser, Seth Eisengart and Jim "Rocky" Borgess each connected for home runs for the frosh. Ned Helms led in hitting with 4 hits for 5 at bats. The victors backed Fogel with a strong defense.

In their encounter with the nine men representing the seniors, the juniors suffered a 7-4 defeat. Dorm director John Williams pitched fine ball for the "seniors" and also hit a home run in the come-from-behind victory.

An afternoon and evening double-header will be played today. All class members are urged to come out and support their class, especially the seniors who fielded only two members of their class.

Drew Downs Rutgers, Drop No. 6 to Pratt

BY DWIGHT KEHOE

On Wednesday the Drew Rangers trounced Rutgers of South Jersey 15-1 in a game called after seven and one-half innings by mutual agreement. The Rangers slammed out 11 hits against two Rutgers pitchers. Dick Stafford received credit for the victory, his fourth against two defeats.

The Rangers scored first in their half of the initial inning as Frank Brooks walked, stole second, moped to third on an infield out, and scored as Gary DeAngelis singled to right. DeAngelis then stole second. Henry Porter then walked. When John Quinn slammed a single to left, DeAngelis scored and Porter moved to second. The two then executed a double steal. Porter scored the third run of the frame as Mike Allen walked with the bases loaded.

This is just the way the whole game went as the Rangers stole 11 bases including a beautiful steal of home by Quinn in the fourth. The Rangers scored their fourth run in the third inning, added four more in the fourth and fifth innings and the final three runs in the seventh. John Quinn was the hitting star of the game with three for three, a walk, a sacrifice fly, and four runs batted in. Henry Porter raised his batting average to .300 with two hits. Gary DeAngelis and Bill Flood, also, collected two hits a piece.

Once the game appeared to be a rout, the attention was on Dick Stafford who had the Rutgers nine eating out of his hand. He retired the first 10 batters in a row before a runner reached on an error. Then with two out in the fifth the Rutgers third sacker laid down a beautiful bunt and beat it out for the only hit off Stafford in the six innings he worked. During the stint he walked no one and struck out seven while lowering his earned run average to 1.56 per nine innings.

Dan McFadden took over in the seventh inning and allowed two hits and the Rutgers lone tally. John Quinn worked the eighth inning and left the bases loaded by striking out the last batter to end the game.

The Rangers thus evened their record at five wins against five defeats. Gary DeAngelis is currently the hottest hitter on the squad collecting seven hits in his last 16 at bat for a .437 average.

Bow to Pratt, 10-2

Saturday the Rangers traveled to Brooklyn to face a tough Pratt "nine" and came home on the short end of a 10-2 score. A large, highly partisan crowd, 90 degree temperature, poor playing conditions, and questionable umpires didn't help the Drew effort.

The Rangers scored in the top of the first inning as Scott Bickell walked with one out, stole second, and came home as the Pratt short stop threw Henry Porter's grounder into the stands. Pratt tied the score in the bottom of the second on a single and three walks issued by Ranger starter John Quinn who received no help from the "man in blue", calling the pitches.

Pratt went ahead in the fourth by pushing across another single tally only to have the Rangers come back and tie it up in the top of the fifth inning. Scott Bickell again started this rally as he walked, stole second and third, and with two out scored as the short stop bobbled another ground ball, this one hit by John Quinn.

Pratt regained the lead in their half of the inning on two cheap hits, a mental error, and a sacrifice fly. The close game turned into a rout as the Ranger defense fell apart and the Pitchers lost their control. Pratt pushed across seven runs in three innings, only two of which were earned.

Drew third baseman Gary De Angelis was absent and Dick Stafford was pressed into service at the "hot corner". The poor infield did not help Dick's efforts any as he was the victim of several bad hops. He tried to make up the poor defensive back with two key singles only to have his team mates fail in the clutch as the Rangers left 10 men on base in losing their sixth game of the season.
