

THE AGENCY OF GOD

1. *reflexively*, in relation to Godself, is the action of God's love *ad intra*, whereby God is triune: Father, Son, and Holy Spirit; and

2. *nonreflexively*, in relation to others, is the action of God's love *ad extra*, whereby God is

(1) the Creator

(2) the Consummator

(3) the Savior

both *immediately and directly*, by God's own action alone, and *mediately and indirectly*, through one or more of God's creatures or in cooperation with their immediate and direct action.
