Dear David Aguilar Villagomez,

The Institutional Review Board has conducted an expedited review and approved your research entitled "Macho Dilemmas: Masculine and Female Gender Roles within Salvador, Brazil, Madison, NJ, La Cañada de Caracheo and Juchitan, Mexico." with the following conditions:

No Conditions

The approval for your research protocol and the human participants' component of your work is valid through 8-Oct-16. If you plan to continue this research past this date, you will need to reapply for IRB approval. If you make any modifications to your research, you will need to obtain IRB approval for those changes as well.

Sincerely,

A handwritten signature in black ink, reading "Kate M. Ott". The signature is written in a cursive style with a large, stylized "K" and "O".

Kate M. Ott, Ph.D.
